Old Business

1. Clean up is basically complete.
2. Green Metals working on Pocket Park.

New Business

1. Looking for a second full time parks and recreation worker.
Trent and Brad will begin interviews soon.
 2. The E-Pause was not working because of non-payment. This service cannot start up again until August. We will no longer be using that payment app. They have now moved to a new service, Light speed. This should be in place soon and ready for customers.

Other Business

1. Knights of Columbus pickleball tournament donations to Gibson County Animal Shelter September 5-7. Will have food available. 200 people attended the first tournament and will be expecting several more this time. Asking to shut down spruce to Lincoln and asking for barricades. Knights of Columbus will take care of all cleanup, but would like a few more trash cans. Hoping to finish up by 8:00 each evening. Pictures will be taken with Princeton windscreen in the background.

Paperwork has been taken care of.

Trent said the court will be patched and presentable. Trent also wants to have a clean backdrop for the pictures if possible.

2. Southside ball field: Someone drove over the field trying to clear the mud off the field and has created a larger mess. Trent has reached out to the crew that did this and is hoping they will make the necessary repairs to get the field back in order for the upcoming league play.
