

Office of the Parks & Recreation Superintendent

Dear Local Businesses, Churches, and Citizens,

The City of Princeton Parks Department will be hosting its annual ***Back-to-School Backpack Bash*** on August 3, 2019. Thanks to the generosity of people like you, last year we provided free backpacks and school supplies to over 250 students in the North Gibson School Corporation!

In 2019, we are making it bigger & better, and expect to exceed 300 students asking for free supplies. The event will host a free swim at the Princeton Aquatic Center, free haircuts, a DJ, bouncy house, dunk booth, movie in the park, free drinks and much, much more!

**We can't do it without your support!** Many families rely on this event to provide their child with supplies for the upcoming school year. The more support you provide, the better this event will be. **And best off, it's for the kids!**

Thank you for supporting this great event 😊

Included please find the Sponsorship Agreement information. If you donate, and would like a banner displayed, please just supply us with your banner and we will be happy to display it.

Kind Regards,

Brent M. Denbo, Superintendent  
Princeton Parks & Recreation Department
